Providing Supplies and Equipment to Printers Since 1970

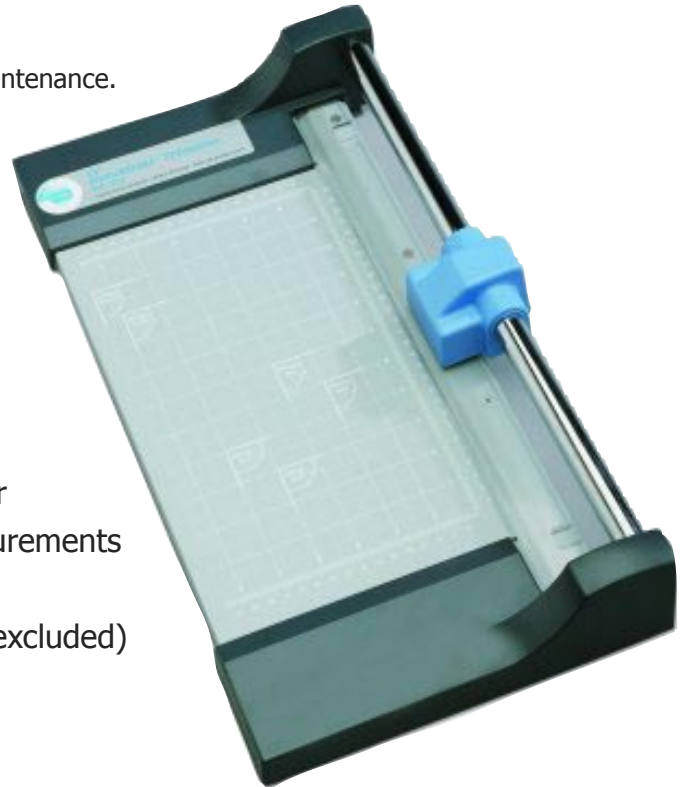

Industrial Rotary Trimmers

These are premium heavy-duty self-sharpening rotary trimmers. They can be used for a variety of applications from wide format output to poster-size ink jet prints. Available in four standard sizes; 12" - 18" - 28" and 38".

The self-sharpening blade design on these units requires no maintenance. Heavy wooden base and rubber feet keeps cutter firmly in place during trimming jobs. Base is calibrated, and features preset measurements for common-size trims.

Trims up to 10 sheets of standard 20 lb. bond copy paper. Also trims card stock, acetate, cardboard, drafting film, illustration board, leather, artis mat board, tissue paper and much more!

Key Benefits:

- Trims up to 10 sheets of standard 20 lb. bond paper
- Sturdy wooden base is calibrated with preset measurements
- Self-sharpening blade design
- Limited lifetime warranty (blades and cutting mats excluded)

Please call 800-341-6650 for current pricing on these units!
