Helping Printers Increase Their Profits Since 1970

Precision Stack Paper Cutters

These paper cutters are made by DAHLE, a German manufacturer recognized for high-quality cutting equipment and blades throughout the world. Their stack cutters are heavy-duty machines that are accurate and easy to use. The Soligen steel blade will hold its sharp edge longer than any smaller size cutters available, and glides through paper stock with ease. If you are looking for a trouble-free cutter that will last, this is the machine for you!

Model 848

DAHLE

"No better trimmers available for the mid-sized shop."
