High Production Floor Model Paper Drills

These ruggedly built high production floor model drills manufactured by Lassco Wizer are the most versatile, compact, and affordable units offered in the industry. All models offer full 2 inch drilling capacity and have a traversing table that moves in either direction. The manual foot pedals are large yet provide excellent pressure sensitivity when drilling. Graduated back gauge makes set-up fast and also lets you keep your production set-up to drill quick 'one-off' jobs.

Key Benefits:

- Most economical floor models on the market
- All with two inch drilling capacity
- E-Z Glide bi-directional traversing table
- Precision head and table adjustment for perfect holes!
- Full covers reduce noise and maintenance
- Uses common style 'A' drills
- Available in Single, Double and Triple Head Models

Triple Head

With E-Z Glide the paper pile remains in place while table moves to drill position. It's easy, accurate, and fast!

Single Head

Our Prices Include FREE Shipping!

Single Head Model, Our Order #DR3FM2, (Please call for current pricing)

Double Head Model, Our Order #DRFMM2, (Please call for current pricing)

Triple Head Model, Our Order #DRFMM3, (Please call for current pricing)
