Heavy-Duty Portable Electric Punch

This is the only electric punch available in its class. Punches up to 160 sheets of 20 lb. bond stock with simple push button operation.

These Key Features Benefit You!

- Adjustable for standard 3-hole or 2-hole legal punching
- Extra-large 9/32" diameter punch holes
- Fast 15-second punch cycle time!
- Jam clearing mechanism keeps production moving
- Removable chip receptacle for easy waste disposal

If you want to make quick work of occasional standard hole punching, this is the machine for you! Set-up takes only seconds, and the unit accommodates enough stock to do most full book sets (160 sheets 20# bond). The rugged, high quality punch is made by General Binding Corporation, and carries a limited one year manufacturers warranty. Its compact size takes up minimal table space.
