Portable Scoring & Perforating, Score II

This hand operated device is a real time and money saver for the shop or office that needs to do occasional short to medium run scoring or perforating. Larger shops can use it to produce samples without setting up automated equipment.

It is very easy to use, and can handle stock weights from 20 lb. to cover weights.

Comes in two sizes: 19.50" and 25.00" score/perf length. Both sizes include one each of the scoring and perforating wheels.

Key Benefits:

- Interchangeable perforating and scoring wheels
- Standard 10 perforation per inch blade
- Full width edge guide for accurate work
- Easy-adjust side guide
